Responding to the works of		Children have the opportu works of famous artists, ex		Children continue to study artists throughout history	•	Children continue to stud	by the works of famous by and use this knowledge	
other artists		and processes. They will be		opportunity to offer opini		to inform their own worl	-	
		different artists through hi		contrast artists whilst stud	•		nion and to compare and	
		Children will begin to describe the work of famous,		processes used.		contrast artists whilst stu	udying the techniques and	
						processes used.		
				Children will use inspiration	on from famous, notable			

		notable artists and designers; express an opinion on the work of famous, notable artists; use inspiration from famous, notable artists to create their own work and make simple comparisons;	artists to create their own work and make simple comparisons; reflect upon their work inspired by a famous notable artist and the development of their art skills; express an opinion on the work of famous, notable artists and refer to techniques and effect;	Children will use inspiration from famous, notable artists to create their own work and make simple comparisons; give detailed observations about notable artists', artisans' and designers' work; begin to offer facts about notable artists', artisans' and designers' lives and begin to name their pieces of work;
Painting	MIXED MEDIA	POSTER PAINT	POWDER PAINT	POSTER PAINT, POWDER PAINT, WATER
	Children will experiment with mixing primary colours;	Children will mix primary colours to create secondary colours and beginning to predict result;	Children will mix colour, shades and tones with increasing confidence;	COLOURS Children will begin to demonstrate knowledge
	recognise and name primary colours;	able to name primary and secondary colours; experiment with adding black and/or white.	begin to understand the colour wheel and colour spectrums;	about primary and secondary, warm and cold, complementary and contrasting;
	experiment using a variety of tools to make marks and spread paint - straws, hands, fingers, matchsticks, thick and thin brushes, sponge brushes;	Beginning to understand how to make tints using white and tones by adding black to make darker and lighter shades; use a variety of tools and experiment with different effects such as dots, scratches and splashes;	begin to explore complimentary colour; use suitable tools and brushes to achieve a desired purpose such as thick/thin lines, dots and demonstrate increasing control the types of marks made;	confidently control the types of marks made and experiment with different effects and textures including blocking in colour, washes, thickened paint creating textural effects; start to develop their own style using tonal contrast and mixed media.
	explore working with paint on different surfaces and in different ways i.e. coloured,	begin to show control over the types of marks made;	experiment with different effects and textures, including washes, blocking in colour and thickened paint;	
	sized and shaped paper.	paint on different surfaces with a range of media.	start to develop a painting from a drawing.	

	using a variety of	joining materials;		observation;		Children will plan an	d design a sculpture;
	malleable media such as						
	clay, salt dough;	shape and model materials for a purpose (e.g. a		use equipment and media with increasing		use equipment and media with increasing	
		pot, tile) from observatio	n and/or imagination;	confidence;		confidence;	
	impress and apply simple						
	decoration;	manipulate clay using a variety of techniques e.g.		replicate patterns and textures in a 3-D form;		use tools and materials to carve, add shape, add texture and pattern;	
	coiling, kneading, rolling, and pinching;			Maninulato for a variaty o	of purposes such as		
	cut shapes using scissors		a fau an duting	Manipulate for a variety of purposes such as			
	and other modelling tools;	use a variety of materials for sculpting, e.g. clay, card;		thumb pots, slim coil pots and models.		develop cutting and joining skills, e.g. using wire coils, slabs and slips.	
	build a construction/						
	sculpture using a variety of	use a variety of shapes, including lines and texture;					
	objects e.g. recycled,						
natural and manmade							
	materials.						
<u>Collage</u>		Children will explore cutting and tearing		Children will select colours and materials to create		Children will add collage to a painted or printed	
		materials;		effect, giving reasons for their choices;		background;	
		sort and arrange materials; add texture by mixing materials;		refine work as they go to ensure precision;		create and arrange accurate patterns;	
				learn and practise a variety of techniques, e.g. overlapping, tessellation, mosaic and montage;		use a range of mixed media;	
						plan and design a collage;
