

Holy Cross Catholic Primary School Geography Long Term Overview

2022-2023

	Advent 2	Lent 2	Pentecost 2
Nursery	Show interest in different occupations Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.		
R	Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps. Compare school environment with home environment and say how these differences might impact on behaviour . Talk about key features in my local environment . Talk about how my local environment is the same / different from the environment in stories. I can make simple maps of my local environment, with support I know features of the Earth I can make simple maps of my local environment, with support I know features of the Earth.
