

Latin lessons at Holy Cross

What would we expect to see in Latin lessons in the school?

- Children working on objectives in line with the curriculum intent for Latin (as published on school web site).
- Lessons are taught using Minimus (textbooks and sound clips).
- Activities closely matched to the objective. All children are working on the same objective and are supported and / or challenged appropriately.
- Current lesson is placed within sequence of learning within the unit.
- Links are made to any prior learning within Latin (as appropriate) and also to other areas of the curriculum – e.g. History, English.
- Focus on clarifying key vocabulary (specific/precise/accurate) and revisited often during the lesson.
- The lesson Knowledge Goals are given as 'takeaways' at the end of the lesson.
